

Based on the recently issued IPPS final rule from the Centers for Medicare & Medicaid Services (CMS), the Low-Volume Hospital payment provides a percentage add-on adjustment per Medicare discharge.

This payment is for Federal Fiscal Years 2011 and 2012, with the percentage calculation computed by CMS.

Requests for this additional payment must be submitted to your Fiscal Intermediary/Medicare Audit Contractor (FI/MAC) by **September 1st**. The requests must include documentation proving you meet the payment criteria.

Our consultants can assist you with the proper documentation needed and submit it to your FI on your behalf.

Contact us today to discuss this regulation and our services further!

Deadline – **September 1st**!
